

TIMEZ ATTACK

Do This Once:

1. Go to www.bigbrainz.com

2. Click on School Use button

NEW!
Deluxe
\$15 per 3rd Grader
(Annual License-Get other grades free!)

Buy

Download

3. Click on the Download link under Deluxe
4. Click on Windows or Macintosh depending on your computer platform.

Windows 7, Vista, XP

OS X 10.3.9+

5. Select Save file. The file will download.
6. After downloading, double-click on the downloaded file. (If you selected the option to run rather than save, you can skip this step.)
7. Follow instructions to install. It is recommended that you select "Yes" when asked if you want to create a shortcut on the desktop.
8. After installing, you can delete the file you downloaded in #5 above.
9. Double-click on the icon that was created on the desktop for running Timez Attack.
10. Select the following for country, state, type of school, school name.
11. For password type in 123456.
12. Select the grade you will be in for the 10-11 year.
13. Select your name.
14. The first time it runs, it has to install the game resources. Depending on your internet connection speed, this can take up to 20 minutes.

A vertical stack of blue buttons with white text. From top to bottom: "United States", "California", "Private Schools", "Seven Hills School". Below these is a "Password:" label, a text input field, and a "Go" button. At the bottom, it says "Enter Educator or Student Password".

Do This Each Time You Want To Play

1. Double-click on the icon on the desktop.
2. Type in the password 123456.
3. Select the grade you will be in for the 10-11 year.
4. Select your name.
5. It takes 1-2 minutes, depending on your internet speed, to load the game.
